### Features:

- Dimmable

### Technical specifications:

|                             |                                   |
|-----------------------------|-----------------------------------|
| Voltage (lamps):            | 230 V, AC                         |
| Nominal wattage:            | 60 W                              |
| Base:                       | E27                               |
| Lamp type:                  | Incandescent lamp; reflector lamp |
| Lamp specification:         | Dimmable                          |
| Beam angle:                 | 80°                               |
| Color of light:             | Red                               |
| Lead time:                  | 0.5 s                             |
| Construction:               | Reflector                         |
| Operating temperature max.: | 40° C                             |
| Operating temperature min.: | 20° C                             |
| Burning position:           | S180 (universal)                  |
| Lamp life:                  | 1000 h                            |
| Wavelength:                 | 778 nm                            |
