Cadre de montage de rack

Réf. : 12604180

GTIN: 5060502923370

Prix de catalogue: sur demande €

TVA 19% incl.

Description:

The INTUPAK JUP2 is the flexible solution for rack-mounting any INTUSONIC product in the 140mm and 180mm semi-rack format into a full 19" rack space. Allowing to combine a multitude of the same or different units, it minimizes space consumption and maximizes functional versatility. Made from steel with durable coating, the U-shaped structure provides both elegance and stability. Each unit is mounted separately by its own included rack bracket set (bracket sets not included). The JUP2 comes with one blank panel which can be mounted if one of the spaces is left unused; all required screws for securely mounting the two semi-rack format units are included as well. The JUP2 matches current INTUSONIC products like the 2SDL70 compact power amplifier, the VLA42 volume control node and other upcoming products in the semi-rack format.

Logistique

EAN / GTIN: 5060502923370

Poids: 0,28 kg

Longueur: 0.50 m

Largeur: 0.05 m

Hauteur: 0.03 m

Caractéristiques:

- (19") 48,3 cm installation en rack 1 HE
