L'article n'est plus disponible.

Description:

Big performer

Great effects for great parties: This LED spot by Eurolite is equipped with a total of 54(!) LEDs creating amazing light effects.

Powerful RGB LEDs

High-performance LEDs in the colors red, green and blue illuminate the room in any color combination of your choice. By choosing the stand-alone mode, you let the Big PARTY TCL run the show itself by adjusting the colors and fade speed to the rhythm of the music through the built-in microphone. Alternatively, you can use a DMX controller to control the spot manually.

Flexible

Thanks to the mounting bracket, you can mount the Big PARty almost everywhere. The installation is so easy that even beginners can do it. Impress your audience with a vibrant color mixture, dimmer and strobe effects or static colors. This spot is perfectly suited for every occasion!

Caractéristiques:

- Equipped with 54 bright 3 W RGB LEDs (3in1)
- Auto, music, master/slave and DMX mode
- Built-in color change programs, strobe effect, pulse effect and dimmer
- Direct selection for 18 static preset color combinations
- Manual setting of mixed colors
- Addressing via control panel with 4-digit LED display
