Description:

No party without a disco ball! Its simple design and affordable price make the disco ball a popular decoration classic used to create fascinating plays of light on the dance floor. Eurolite offers a wide range of disco balls in different colors and sizes.

This model in professional quality has a diameter of 100 cm and is covered with countless small gold-colored mirrors (10 x 10 mm). The robust plastic core is covered with hundreds of small mirror facets and features a continuous shaft guaranteeing a high tensile strength. The mirror ball also includes two eyelets allowing for attaching both the fastening chain and the required fall protection.

An additional motor can be used optionally to make the mirror ball rotate automatically. Suitable motors, the required mounting material and a transport case are available as accessories.
