### Description:

Discover the possibilities!

Chameleons are known as kings of the quick-change artists. One time yellow, the other green, just as requested. Remarkable. Just like our LED bar, by the way. Because with its 324 RGB LEDs it can produce more than just a very impressive and unbelievable bright light. The most outstanding feature is definitely its wealth of variants. So the bar, it has a length of one meter, is divided in 6 segments, that can be operated separately or simultaneously. Together with the additional effects, a real big variety comes about, that can be used as amazing dancefloor light, for example.
