

EUROLITE LED IP FL-5 3200K 40°

Brilliant floodlight with LED technology

Réf. : 51914215

GTIN: 4026397272512

L'article n'est plus disponible.

Description:

It's got the power!

It is quite remarkable how much luminosity small LEDs can produce, notably high power LEDs. Even with only one Watt, they know how to stage the illuminated objects perfectly. Our FL-5 - fitted with five high power LEDs - also knows how to please. Besides indoor applications the spot can be used outdoors as façade lighting, drive lighting or garden lighting. Based on their extremely long life, the LEDs are almost maintenance free and thus the spot is also suited for places that are not easy to reach. Our FL-5 is available in six different colors and with two different beam reflection angles.

Caractéristiques:

- Add highlights to your house and garden
- High Power LEDs
- Ideal LED luminary for indoor or outdoor use
- For permanent installation, mounting bracket included
- Extremely compact housing in an appealing design
- Ready for connection with power cord and safety-plug
- Available in 2 sizes, 4 colors, 2 color temperatures (white), and RGB
- Available in 10° or in 40° versions of the beam reflection angle
- Advantages of high-power LED technology: extreme light output, long life, low power consumption, defacto maintenance free

Logistique

EAN / GTIN: 4026397272512

Poids: 0,93 kg

Longueur: 0.14 m

Largeur: 0.14 m

Hauteur: 0.17 m

Données techniques:

Alimentation électrique: 230 V AC, 50 Hz

Puissance totale de raccordement: 12,00 W

Type de protection: IP54

Dimension: Largeur : 11 cm
Profondeur : 13 cm
Hauteur : 19 cm

Dimensions: 110 x 130 x 190 mm

LED number: 5

Light output intensity: 325 Lm

Weight: 1 kg
