Description:

All in One: Gobos, UV light and Strobe!

Colorful light effects and a variety of beautiful moving images make the LED Gobo Derby Hybrid by Eurolite a true party hit! The device comes in a compact housing and offers a rotating gobo wheel, UV LEDs for cool black light effects and white LEDs for rapid strobe effects. All effects can be controlled individually and adjusted according to your desires.

The LED Gobo Derby Hybrid features 4 preset show programs which can be played either automatically or sound-controlled. In total, you can choose from four operating modes: The automatic, sound-controlled, master/slave and DMX mode. The sensitivity of the microphone used for the sound-controlled mode can be adjusted manually.

The robust metal housing is equipped with an adjustable mounting bracket, a safety eyelet as well as a bright display with 4 operating buttons for intuitive operation. The supplied IR-26 remote control makes working with this all-rounder even more convenient.

Caractéristiques:

- Rotating gobo wheel with 8 multi-color 3 W LEDs produces a multitude of moving images
- 2 cold white 3 W LEDs for fast, dynamic strobe and wash effects
- 8 x 3 W UV LED for blacklight effects
- Gobo wheel, UV LEDs and strobe can be controlled individually
- 4 built-in auto and music show programs
- Addressing and setting via control panel with 4-digit LED display
- Convenient wireless control via included IR remote control EUROLITE IR-26
- Swivel mounting bracket
- 8 LED puissantes 3 W high-power ultraviolet (UV)
