GCT-815S Ceiling Panel 15W/pai

Haut-parler à insérer dans le plafond

Réf. : 80710135

GTIN: 4026397349207

Caractéristiques:

- 2-way coaxial chassis with 20 cm woofer (8") and 4 cm silk dome tweeter (1.5")
- Easiest installation by simply resting the speaker on the ceiling grid
- Fits perfectly in to 60 x 60 cm grids - no ceiling tile cutting necessary
- Can be fitted into other ceiling grids via supplied mounting bracket
- For 8-ohm and 100 V systems
- 4-step power selector
- Steel fireproof for safety in case of fire
- Loose cable ends
- Seismic safety points
- Sturdy steel grille in off-white
- Incl. mounting bracket and adaptor crossbar - no additional accessories needed
