OMNILUX®

LED E-27 230V 15W SMD LEDs UV

Un élément décoratif indispensable, LED UV

Réf. : 89540020

GTIN: 4026397542677

Caractéristiques:

- Countless numbers of application possibilities
- Energy saving
- Already existing a good number of years, the "black light effect" is still fascinating: white textiles and objects as well as fluorescent material brightly flash up in darkness!
- Equipped with SMD LEDs and corresponding controlchip
- Appropriate for accentuated illumination
- Inflammable à chaud
