

MCS-1250 MK2 IR Emitter

IR remote emitter for MCS-1250 MK2

Art.n.: 10452486

GTIN: 4026397544428

MCS-1250 MK2 IR Emitter

IR remote emitter for MCS-1250 MK2

Art.n.: 10452486

GTIN: 4026397544428

Features :

- Operate your audio/video equipment in other rooms with your existing remote control
- The MCS-1250 MK2 wall controller picks up the signal from your remote control and the IR emitter sends the signal to the A/V component
- Supports all standard A/V components (HDD recorder, set-top box, satellite decoder and stereo) with an infrared sensor
- 3.5 mm jack plug for connecting the MCS-1250 MK2 amplifier
