

## OMNITRONIC AS-800 Active system

Powerful compact active PA system, 800 W RMS

Art.n.: 11038814

GTIN:

**L'articolo non è più disponibile.**

### Features :

- Mobile subwoofer/satellite system with class D circuitry
- Provides perfect sound and good level stability in various kinds of mobile PA applications up to medium-sized party events - ideal for solo entertainers, small bands and mobile discos
- Several active systems can be used to set up large PA systems
- 38 cm subwoofer in bassreflex cabinet provides powerful, dry bass
- Tops with 20 cm bass-midrange speakers and 8 cm titanium driver system
- Balanced inputs via combo jacks (XLR/6.3 mm) and XLR parallel outputs
- Microphone input (combo XLR/6.3 mm jack)
- Aux input (3.5 mm jack/RCA), ideal for portable music players (e.g. iPod)
- Adjustable volume balance between satellites
- Adjustable crossover frequency for subwoofer and satellites
- 5-band equalizer for fine-tuned sound of the master signal
- Stereo/mono selection
- Phase switchable for subwoofer
- Groundlift switch against humming
- MDF enclosure with scratch-resistant lacquer surface, impact-resistant steel grille and flange for speaker distance tube
- 4 castors, 2 of which with locking brakes
- Complete protection set against short-circuit, overheat, overload and overcurrent
- PowerCon input, power cable included
- Delivery includes two speaker cables

### Logistica

## Dati tecnici :

|                            |                                                         |
|----------------------------|---------------------------------------------------------|
| Potenza totale installata: | 900,00 W                                                |
| Power supply:              | 230 V AC, 50 Hz                                         |
| Power output sine:         |                                                         |
| Subwoofer:                 | 500 W RMS                                               |
| Satellite speakers:        | 2 x 150 W RMS                                           |
| Components:                |                                                         |
| Subwoofer:                 | 38 cm woofer (15")                                      |
| Satellite speakers:        | 2 x 20 cm woofer (8"), 2 x 8 cm titanium tweeter (3.2") |
| Sensitivity:               |                                                         |
| Subwoofer:                 | 96 dB                                                   |
| Satellite speakers:        | 94 dB                                                   |
| Maximum SPL:               |                                                         |
| Subwoofer:                 | 123 dB                                                  |
| Satellite speakers:        | 114 dB                                                  |
| Frequency range:           |                                                         |
| Subwoofer:                 | 35-140 Hz                                               |
| Satellite speakers:        | 140-20000 Hz                                            |
| Inputs:                    |                                                         |
| Line:                      | combination XLR/6.3 mm jack L/R                         |
| Aux:                       | 3.5 mm jack/stereo RCA                                  |
| Mic:                       | combination XLR/6.3 mm jack                             |
| Outputs:                   |                                                         |
| Line:                      | XLR L/R (feed-through output)                           |
| Speaker:                   | 2 x Speaker, 8 ohms                                     |
| Protection circuits:       | Short-circuit, overheat, overload, overcurrent          |
| Dimensions (L x W x H):    |                                                         |
| Subwoofer:                 | 702 x 450 x 495 mm                                      |
| Satellite speakers:        | 261 x 273 x 438 mm                                      |
| Weight:                    | 60 kg                                                   |
