SC-ONYX Series HI-CM06

The SC-ONYX 2025 MKII is a reasonably priced cable. It costs more little more than a standard cable, but is far superior in quality. It is perfect to upgrade small home and living room systems, intended for those people who still don't quite believe that a cable can upgrade the sound of a cheaper system. We try to minimize the risk of wasting money for all non-believers.

The plug connector HICON HI-CM06 actually is quite a guy: The turned, solid pin is gold-plated and insulated with Delrim.

Dare to dream with the SC-ONYX 2025 MKII.

Logistica

EAN / GTIN: 4049371042116
