UV lamp 250W R7s 500h

Crea atmosfera e risparmia energia elettrica!

Art.n.: 89530005

GTIN: 4026397119374

Features :

- Countless numbers of application possibilities
- Easy installation due to standardized R-7s-socket
- Very high light output
- Already existing a good number of years, the "black light effect" is still fascinating: white textiles and objects as well as fluorescent material brightly flash up in darkness!
- Only to be used with ballast resistor
- Dimmerabile
- Accensione a caldo
